

ISLAND HERITAGE TRUST  
P.O. BOX 42  
DEER ISLE, ME 04627  
(207) 348-2455

*“The mission of Island Heritage Trust is to conserve significant open space, scenic areas, wildlife habitats, natural resources, historic and cultural features that offer public benefit and are essential to the character of the Deer Isle area.”*

## **ISLAND HERITAGE TRUST PROPERTY General Use Policy**

Be a "Leave No Trace" visitor!

1. Day use only. No camping.
2. Respect the wildlife. On islands, at Crockett Cove Woods, Barred Island and Scott's Landing please leave pets at home. Dogs on leash are permitted at Settlement Quarry, Tennis Preserve, Shore Acres (May 1 – Sept 30). Dogs on leash or under owner's control are permitted at Causeway Beach, Reach Beach, and Shore Acres (October 1 – April 30).
3. Trails are designed for foot traffic; no bicycles or horses, please.
4. Open fires are dangerous. Use cook stoves instead.
5. Be a "Leave No Trace" visitor: Carry out all rubbish - your own and any you find.
6. We recommend a maximum group size of 12, with small groups of 6 or fewer most preferable. Groups larger than 12, please contact IHT for visitor coordination.
7. Be a "Leave No Trace" visitor: Please carry out all solid human waste and toilet paper; island soils are too fragile and shallow to bury it. Solid human waste left on the soil surface is a health hazard to humans and wildlife.
8. Leave what you find as it is (such as rocks, shells, sticks, mosses and other plants).
9. No motorized vehicle of any sort are permitted, except by emergency vehicles, and for property management purposes.
10. Hunting with care is permitted, in season. During hunting season, all visitors should wear blaze orange.
11. Clamming and fishing are permitted.
12. If you're interested in volunteering, please contact the IHT office. For permissions or questions, contact the IHT office: 207-348-2455; PO Box 42, Deer Isle ME 04627; email: [iht@islandheritagetrust.org](mailto:iht@islandheritagetrust.org)

**THANK YOU FOR HELPING US PROTECT THIS LAND!**
