SATURDAY MAY 17

Chowder Social & Film Screening
Opera House Arts
1 School Street, Stonington

Songbird populations have been declining for decades—a fact bird watchers are aware of and the general public is catching onto. But the question of why they are declining is harder to answer clearly. That’s the challenge *The Messenger* takes up, and its answer is to proceed slowly—and beautifully—through the major issues. It’s a refreshing approach to environmental filmmaking: a 90-minute film that forgoes ominous voiceover in favor of well-spoken scientists juxtaposed with beautiful cinematography.

5:00 PM - 6:00 PM Chowder Social

Join us for hot chowder and connection in the Opera House lobby! Catered by local restaurant, 27 Fathoms, three chowders will be served (vegan available) with cornbread. Plus cookies from Tinder Hearth! Alcoholic beverages available for purchase. **Ticket Required: \$30 - includes Chowder Social AND Film Screening.**

6:15 PM -8:15 PM Film Screening of “The Messenger” & Group Discussion

Sit back and enjoy a beautiful, educational cinematic experience in the Opera House Theater, followed by a group discussion led by President of the Western Maine Audubon, Tim Flight. **Ticket Required: \$10 - includes Film Screening.**
